

LIST OF ARTISTS AND EXHIBITS

(Please note: this list is not final. Current as of April 20, 2010)

With works by more than 100 artists, realized between 1901 and 2010, as well as several new commissions, the exhibition will be configured as a temporary museum in which both artworks and cultural artifacts from more than 25 countries are brought together to examine our obsession with images.

NAME	ORIGIN	DATE OF BIRTH
